# Prescription Drug Program

## What Pharmacies Can I Go To?

Our network includes 100% of chain pharmacies and 90% of independents. If your pharmacy says they aren't contracted, the process to add them is quick and easy! Simply ask them to contact **RxEDO** at **(800) 522-7487**.

## What if My Medication is Not on the Program Formulary?

When speaking with your physician about your medications, refer to your formulary to see what medications are included in this program. If your doctor tries to prescribe one that is not on the formulary, there may be an alternative that IS included and is just as effective. If a prescribed medication is not on the formulary, the member is still eligible to purchase that drug at **RxEDO's** discounted rate.

## What if the Pharmacist Can't Locate My Eligibility?

Ask the pharmacist to verify that they are entering your person code "01" (02 for a spouse, 03 for child #1, and so on) after your member number. Many pharmacists mistakenly leave this off, however it is part of your Member ID and must be included. If they are entering it correctly or there are other issues, a quick call to **RxEDO** member services at **(888) 879-7336** should resolve any problems quickly. This line is open 24/7 - 363 days a year.

## Any Questions at All?

Contact **RxEDO** member services at **(888) 879-7336**. Pharmacist questions: **(800) 522-7487**. Both numbers are open 24/7 - 363 days per year.
